## Neighborhood Street Parking

**HOA  
Board Meeting  
August 11, 2021  
7:00 PM  
Will be at the  
Clubhouse**

Street parking in Greenwood is a common complaint. Parking issues can turn the friendliness neighbors into enemies in short order. While laws are laws when it comes to parking, the unwritten rules of leaving your car are usually the ones that really get you in trouble. To help keep you out of hot water with your neighbors, here are some quick parking etiquette tips to stay within your neighbors' good graces. Remember that parking etiquette is all about courtesy. If you wouldn't want it to happen to you, don't do it to someone else. Be respectful of your neighbors and responsible for your guests.

### Keep to Your Own Parking Space:

Always park in your own driveway or the space that is in front of your home. It's extremely rude to crowd your neighbors by encroaching on the space in front of their house. If it becomes a habit, you may find that they disapprove...

### Give Your Guests Parking Guidance:

Everyone understands that there may be limited parking for a get together. However, it is important to ensure that there is as much parking at your place as possible. When you do run out of parking spots, make sure your guests don't block someone else's driveway or mailbox.

**First Sunday

### Open Space:

Ensure you or your guests park properly parallel to the street in a manner which is easy to get around. Nothing is more frustrating than trying to navigate a road full of badly parked cars.

Recently there have been several cars hit while parked on the street. Vehicles parked on the street are also broken into at a higher rate than those parked in a driveway. So, protect your vehicles and be considerate of your neighbors by parking in your driveway.

## IT'S **HOT** OUTSIDE

**STAY COOL \* STAY HYDRATED \* STAY INFORMED**

- Wear loose, lightweight, light-colored clothing
- Wear sunscreen. Sunburn affects your body's ability to cool down and can make you dehydrated. Look for sunscreens that say "broad spectrum" or "UVA/UVB protection" on their labels- these products work best.
- Stay in air-conditioned buildings as much as possible
- Do not rely on a fan as your primary cooling device during an extreme heat event
- Drink plenty of water and don't wait until you're thirsty
- Check on a friend or neighbor who may need assistance
- Call 9-1-1 if you see the signs of a heat-related emergency:
  - o Muscle Cramps
  - o Headaches
  - o Nausea
  - o Vomiting

Never leave infants, children, or pets in a parked car.

# Greenwood Forest Women's Club

A resounding THANK YOU to those who helped, participated in, and attended the July 4th Parade and after parade Clubhouse festivities! Ken Reed and his team did a superb job of organizing and directing one of the best parades we have enjoyed in years, Milea Gonzales and her team did a wonderful job of setting up and coordinating a well- attended decorated bike segment, and Amber Stepanik and the Breaker Swim Team crew did an outstanding job of organizing and coordinating the clubhouse festivities. After more than a year of restricted social activities, this was an impressive neighborhood gathering.

Our Greenwood Forest Women's Club members were proud to participate in the parade this year with two very different entries. "Fun in the Sun" was the theme and Sue Ann Lurcott and Benette Schreiber served as our Parade Coordinators. Thank you, Sue Ann and Benette! Also, "Thanks" to Benette's husband, Allen, who graciously loaned his truck, allowed decorating of the truck and also served as driver. Also much appreciated were the truck decorators who attended a Friday evening decorating party as well as the enthusiastic participants who tossed candy to parade viewers while riding in the bed of the truck.

Another big "Thank You" goes to Joseph Okeke who provided and drove our other entry in the parade – a classic 1981 Rolls Royce convertible! Brenda Roberson, Betty Mills and Sue Ann Lurcott were the lucky passengers seen riding in this beautiful vintage vehicle!

July's Yard of the Month winners were Fletcher Denton and Eran Malone who live at 5606 Havenwoods. Like so many yards, theirs was destroyed by the freeze so they were happy to be recognized for the work they have done to make it beautiful. Thank you, Fletcher and Eran! Thanks also to the Yard of the Month Committee Chairman, Marilyn Henriksen, and July's volunteers, Lucy Blome and Susan Freier, for driving the neighborhood in search of beautiful yards.

Included in this issue of The Forest News is the annual membership application for the Greenwood Forest Women's Club. Nowhere else will you find a more dynamic, energetic, fun-loving group of neighborhood women, banded together for friendship and the betterment of our Greenwood community.

The start of this new club year in September marks the 47th year of continuous operation of the Club. Wow! We have adapted and changed with the times, but always moving forward and contributing.

Membership is offered to all women in the subdivision. I hope you will look for the form, fill it out and send it with your membership dues as directed. Hope to see you Thursday, September 9th at our first meeting.

## Protect your home while on vacation

It's just a few weeks before the end of summer break and you are trying to get that vacation in before school starts back. You've packed up your suitcase and booked your trip, but before you board the plane, take the time to protect your home while you're on vacation. July and August are popular vacation months, and not surprisingly, they're also the months when home burglaries peak.

To fully enjoy your trip, plan appropriate home security and maintenance with this checklist.

First things first! Sign up for Vacation Watch Request – Constable Precinct 4

<https://www.constablepct4.com/vacation-watch-request.html>

### Inside the house

- Set timers on interior lights. Don't allow your house to appear as if no one is home.
- Don't make or socialize status updates. Never broadcast your location on social media.
- Alert your alarm company. Make sure the alarm is set properly when you leave. There are some ways of remote monitoring with your smartphone as well.
- Secure valuables. Don't leave out anything valuable in plain sight that a burglar might be able to see from a window.
- Set the HVAC. Set a programmable thermostat to lower your heat or air conditioning usage
- Check doors and windows. It might seem obvious, but double-check just to be sure. Lock all doors and windows.

### Outside the house

- Arrange for lawn care.
- Stop newspapers and mail.
- Plan some exterior lighting. Set these lights on timers as well to deter burglars.
- Don't leave spare keys outdoors.
- Lock the garage. Secure the door and any entrances to the garage

# Back to School Pool Party

## Saturday Aug. 14th 2-5pm

The Greenwood Forest Breakers Swim Team had an awesome 50th Anniversary Summer League Season! Many new families joined the team and so many children learned to swim and improved their swimming abilities while having a great time!

To celebrate, we are happy to invite ALL Greenwood Forest residents (pool card required) to a Back-to-School Swim Party at the clubhouse pool!

Join us Saturday, August 14th from 2-5 pm for an afternoon of swimming, games, and treats as we celebrate the last days of summer break and the beginning of a new school year!

Our Breakers swim team will be providing free snow cones and there will be hamburgers, hotdogs & treats available for purchase. We hope to see you there!
